Rotary To Host Tri-Club Lunch; Morley To Speak

The Upland Rotary Club will sponsor the second annual Tri-Service Club luncheon at Red Hill Country Club on Wednesday, April 3. It will act as host to members of the Upland Lions and Kiwanis Clubs.

Rotarian Ted Lyman, program chairman, has announced that the speaker will be Correspondent John Morley,

John Morley

"America's national speaker's award winner who will talk on "Eye-Witness to Headline History."

He will report on what he saw and heard of the rising anti-communist tide in Cuba and among European satellites. His talk will cover exclusive new evidence in Moscow of Russia-Red China rift and of Soviet falsehoods and unconfirmed claims of space achievements from his latest 4,000 mile unescorted trip through Russia.

In addition, Mr. Morley will explain how the individual American can help the forces of freedom.

Morley won America's highest speaker's award, "For Most Outstanding Talent," at the 57th annual convention, International Platform Association and the DAR "Americanism Award."

He has covered news-beats including Cuba, Congo, Laos, Algiers, Korea, Formosa and Berlin and has had face-to-face contacts with Khrushchev, de Gaulle, Nehru, Nasser, Ben Gurion and Chiang Kai-shek.

The purpose of the Tri-Service Club luncheon is to bring together the three service clubs of Upland and the Ministerial Association once a year for fellowship and to present them an outstanding program of civic, national, or international interest.

Why The Green? Cause It's Money

We like to collect green money! (What other kind is there?)

And we know you do, too.

So this week is your chance to try your luck ... in Upland Shopping Center ... and, if you are really lucky, in Las Vegas!

A free trip to Las Vegas will be given away for two persons 21 years old or older.

All you have to do is come to any of the stores in Upland Shopping Center ... and register your name. You don't have to buy a thing!

Merchants are giving away the trip at the same time they are putting on their third annual St. Patrick's Sale ... so special bargains will be found throughout Upland Shopping Center.

Just turn the page - and see for yourself!

As we said: that green money is nice to collect, and to save, and in Upland Shopping Center you may reap a basketfull.

OFFICERS of the newly formed Parents for Responsible Education go over initial program of action. Seated, from left: Mrs. Kenneth C. Brooks, Upland, Chairman; Mrs. Jay Forrester, Ontario, secretary-treasurer; S. Earle Blakeslee, Ontario, co-chairman. Standing: Col. Floyd M. Hayes, Ontario, co-chairman and Richard Benner, Montclair City Councilman, chairman of the financial committee. The group will be actively engaged in supporting certain candidates for area school boards prior to the April 16 election.

Evaluation Sheet Sent To School Board Candidates

The Parents for Responsible Education have prepared an evaluation sheet seeking information from each school board candidate.

Candidates will be asked to fill out the form and return to the committee so their qualifications and knowledge may be evaluated. The committee expects to actively support the candidates who meet its standards.

The evaluation sheet lists six primary qualifications for a member of a school board:

"Should have a well round-ed education, with some understanding of business practice and accounting, and be able to understand overall problems of a school district.

"Should know the difference between philosophy of progressive and basic education and have definite, well thought-out opinions about the two.

"Should be able to think critically and objectively and make individual, well balanced, unbiased decisions; and have good common sense.

"Should be of good moral character.

"Should have the right motivation toward education and not using the position as a step toward other aspirations.

"Should be concerned with raising the standards of education in a constructive manner."

The questionnaire portion of the evaluation sheet contains 32 questions or requests for information. In addition to name, address, age, occupation, education and affiliations the questionnaire asks:

List any aspects of our school stystem that you think need particular attention and improvement, and briefly indicate your intent with respect to these aspects.

To what extent do you believe we should have federal aid to education?

What in your opinion should be the extent of federal control of our schools?

Explain the difference between state aid and the proposed county-wide tax.

Give a brief picture of present school finance.

In your opinion should the school board follow a policy of uniformity in the maintenance of the schools within their district or should individual improvements and facilities be possible?

What in your opinion is the purpose of school district unification and will you advocate support or oppose it?

Of what do you feel the basic elementary curriculum should consist? How should the time spent in elementary school be divided?

Do you feel that American History should be taught as a subject separate from social studies?

Do you feel that student drill work on subject matter in most schools today is: Adequate? Inadequate? Overemphasized?

Do you feel that the emphasis on class discipline in most schools today is: Adequate? Inadequate? Overemphasized?

In your opinion is the time allotted to physical education at the various grade levels generally: Adequate? Inadequate? Overemphasized?

In general do you think the amount of homework given in today's schools is: Adequate? Inadequate? Overemphasized?

As a member of the school board to whom would you feel

Upland gained nearly a half inch on its rain chart during Saturday's thunder and lightning storm that skipped across the valley.

Second only to Chino and Ontario in the amount of rain received, Upland totaled .40 inch for the storm which gives a 7.28 inch season total. This compares with 18.68 recorded last year.

Polio Make-Up Clinic Correction

Last week's issue of the NEWS stated that two sites in Upland would be open for the Sabin Oral Polio vaccine make-up clinic on Saturday and Sunday, March 16-17. Only one clinic will be held in Upland: Upland Junior High School, 444 E. 11th St. There will be no clinic at Sierra Vista School.

Any Upland resident who missed the clinics in May, June and Sept. may report to this clinic between 1 and 6 p.m. for Types I, II or III vaccine.

Business License Law Violated

Upland police arrested a Long Beach man Friday, March 8, for violation of the business license ordinance.

Ronald Mottran, selling fertilizer door-to-door, was picked up while trying to collect a bill.

The woman told police that Mottran had come to the door wanting to fertilize the front yard and said it would cost about $4 per bushel. After the job, she said, he wanted $170.

Mottran said he could not pay the $100 license fee, but later posted $157 bail.

Upland Business License officer, Bill Smith, said that all persons doing business in the city must have a license and reminded residents that door-to-door peddlers must be able to produce the license.

SENORINA FLORES, visually handicapped Upland High School junior, was presented with a tape recorder by the Upland Lions Club, represented by Sight Conservation Chairman Mel Bowers, left. The request for aid came from her Counselor, Mrs. Ruth Johnson, second from right, and Mrs. Shirley Cooper, School Nurse, right. Mmes. Johnson and Cooper said Miss Flores is a deserving student and will benefit greatly from the aid of the tape recorder through her high school and college education.

Pony League Sets Try-Outs

The Board of Directors of the Upland Pony League has established Saturday, March 30, for the try-outs for vacancies on the eight Pony League teams comprising the Upland League.

The try-outs will be held at Hawkins Field on 8th St. near Campus Ave. in Upland. They will be conducted under the sponsorship of the Upland Recreation Department.

All 14 year-old boys who are eligible are requested to appear at 9 a.m. for a two-hour session on hitting, fielding, and base running.

All 13 year-old boys will report at 12 noon and will stay until approximately 3 p.m.

Directly following the try-outs the managers and coaches will meet to conduct the annual draft session. All boys who are selected will be informed of their selection the following day.

At a recent meeting conducted by President Vern Orum the featured speaker was Mr. Kip Carlson, manager of the Ontario American Legion youth team. Mr. Carlson addressed a group of parents concerning some of the fundamentals of youth baseball.

Mr. George Schilens, Recreation Director, announces that sign-ups for the try-outs will be conducted at the two Junior High Schools in Upland. Anyone not attending Junior High School and interested in applying may secure applications at Ralph's Sporting Goods, 305 North 2nd Avenue, Upland.

Any additional questions may be directed to Mr. Vern Orum, 827 West 11th Street, in Upland.

Grand Jury To Check On Vet's Claims

The 1963 Grand Jury moved to continue the program initiated by the 1962 Grand Jury to check on Veterans' Exemption Claims, stated Jack Allen, Grand Jury Foreman.

Claims for exemption will be thoroughly checked and as an initial step, a friendly letter from the Grand Jury is being enclosed with every application mailed to Veterans. The letter explains in detail certain facts applicable to eligibility.

Veterans are being asked to be absolutely certain, said Mr. Allen, that their claim for exemption falls within the purview of Article 13, Section 1-3/4, California Constitution and Section 252, Revenue and Taxation Code.

Every effort will be made to avoid embarrassment to the many valid claimants; nor will action or implication be directed against any person who withdraws an existing claim or fails to make application this year.

New Area Group To Back Selected School Candidates

The Parents for Rafferty Committee of western San Bernardino County, headed by Mrs. Kenneth C. Brooks of Upland, has formed another organization known as the Parents for Responsible Education.

The Parents for Rafferty Committee comprised 600 persons from Upland, Montclair, Ontario, Cucamonga, Alta Loma, Guasti, Mt. Baldy and Chino.

Following the successful campaign for Dr. Rafferty, culminating in his election as State Superintendent of Public Instruction, the members are now engaged at the local level to continue the promotion and encouragement of the principles expressed by Dr. Rafferty.

Mrs. Brooks, newly elected chairman of the Parents for Responsible Education, said this can best be attained by supporting and electing the kind of persons to our local school boards who believe in fiscal responsibility, local control, sound and fundamental curriculum and dedication to national purpose.

"We shall send all school board candidates questionnaires," Mrs. Brooks said, "and would greatly appreciate their cooperation in filling out the forms and returning them to us no later than March 25 so we may have ample time to evaluate all answers and arrive at our conclusions as to which candidates our group will actively support."

Other officers of the new group are Mr. S. Earle Blakeslee, Ontario, co-chairman; Col. Floyd M. Hayes, Ontario, co-chairman; Mrs. Jay Forrester, Ontario, secretary-treasurer; Richard Benner, Montclair, financial committee chairman.

Phone Book Deadline Is March 15

The closing date for listings in the alphabetical or white section of the directory for General Telephone customers here is Friday, March 15, according to C. B. Miller - local Division Manager.

The directory, which will be delivered locally in May, contains listings for Upland, Ontario, Etiwanda, Cucamonga, Mt. Baldy, Alta Loma, Guasti and San Antonio Heights in one section; and listings for Pomona, Chino, Claremont, La Verne, Montclair, San Dimas and Walnut and neighboring communities.

Telephone directories are revised and published once each year; so any changes or additions contemplated during the next 12 months must be filed with the local business office by the March 15 deadline, Miller said.

Church, Lumber Firm Burglarized

Burglar-vandals had themselves a time over the weekend ... at the expense of a church and a lumber company.

Sometime between 4:45 p.m. March 9 and 2:30 p.m. March 10, someone broke into Upland Lumber Co., 198 N. Euclid Ave., ransacked desks and file cabinets and got away with $47.20 and a polaroid camera.

Late Sunday night or early Monday morning, the 7th Street Mennonite Church, 7th and Campus, was entered and burglars escaped with more than $2 in coin. The culprits also broke an interior window, ransacked desk drawers and scattered articles over the floor.

NEW SON

A son was born March 8 to Mr. and Mrs. Silas C. Harvey, 9817 Base Line, Cucamonga, at San Antonio Community Hospital.

Clem Given County Post

Grover H. Clem, 1336 N. 3rd Ave., Upland, assistant superintendent for business of the Ontario School District, has been appointed assistant superintendent for business services of county schools by County Superintendent Roy C. Hill.

Effective July 1, Clem will replace Miss Doris J. Sischo who will retire after 30 years service with the county schools office.

From 1941 to 1945, Miss Sischo served as acting superintendent while Supt. C. Burton Thrall was on military leave. She introduced the use of data processing into county school business operations, making San Bernardino County Schools office the first in the state to use this modern technique.

Clem has been with the Ontario School District for 15 years as vice-principal, principal and assistant superintendent. He holds a B.A. and an M.A. degree from the University of Redlands.

His duties will include reviewing and approving the budgets of the 59 school districts in the county; maintenance of complete records of all school employees' earnings and service for credential and retirement purposes; receiving funds from local and state sources for credit and allocation to the various school districts; and the auditing of the many annual reports required of school districts by state and federal agencies.

American Little League Elects Officers; Set

Election of officers and selection of date for try-outs was the main business of the American Little League meeting Thursday, March 7, at City Hall.

Des Howarth, former coach of Callaway Construction, was elected as the 1963 President with Jack Carnine, coach of Pomona First Federal named as Vice President. Mrs. Francisco Gomez was reelected Secretary; Ann Howarth, Treasurer; and John Robison, Player Representative.

Try-outs for prospective American League players, boys age 9-12, will be held on Saturday, March 30 at Olivedale Park. Boys living South of Foothill and West of Euclid and those living in the Southeast of Upland are in the American League.

Further details of try-outs will be announced through the elementary and junior high schools.

Prior to this time the City Recreation Department will conduct baseball clinics for potential Little Leaguers on Saturday March 16 and 23 at Olivedale. Boys participating on American Little League teams last year are not required to try-out.

Among other items covered at the meeting was the adoption of a 45 game schedule in which teams play each other three times, and plans to provide a snack bar for all games. Details of the schedule have yet to be worked out.

Six teams will again compete in the American League this year with only one change in Managers. Bob Schweighardt will take over as Manager of Callaway, replacing Archie Cruzen, who is taking a two-year vacation after having managed for the past several years.

Other teams and managers include: Junior Chamber of Commerce, Bob Conkle; Pacific Rock, Bob Hargis; Pomona First Federal, Earl Olsen; Shady Grove, Francis Wilson; and Upland Lions, Gordon Engle.

The League's next meeting will be held on Tuesday March 26 in the City Hall Council Chambers. Parents of prospective Little Leaguers are urged to attend with their boys, and others interested in the American League program are also welcome.

Prepare For Bond Issue

District Tour Set For Plan Group To Pinpoint Needs

At the suggestion of Ronald (Mike) Rossitter of Upland, chairman of the Citizens Planning Committee for Chaffey High School District, arrangements have been made to conduct a tour of the district for the committee.

Committee members also received a copy of the resolution adopted by the district trustees March 4 calling for the May 28 election seeking a bond issue of $10.5 million. The resolution states the specific purposes for which the bond money will be used if passed by the voters.

To gain first-hand knowledge of the areas of the district and present facilities, the committee will meet at 3 p.m. Thursday, March 21 at the Chaffey High Administration Building.

A bus will take the group by Montclair High School and then through the southern area of the district to see the site scheduled for the new Ontario High School. The committee will see the 6th and Vineyard site and proceed to Alta Loma for an extensive tour of the new school scheduled to open this fall.

Following the tour of ALHS, the group will have a buffet dinner at Upland High School and then concentrate "on making plans for the best means of promoting the bond election of May 28."

"We feel that the tour will be informative and interesting and will provide information essential to wise planning for the high school district," Superintendent Allan G. Smith said.

Although the formal bond issue resolution will be prepared by the County Counsel for trustees' signatures at the March 18 meeting, the board has adopted the following resolution of intention to call the election:

"WHEREAS it is in the judgment of this Board of Trustees advisable to call an election and submit to the electors of this school district the question whether bonds of said district shall be issued and sold for the purpose of raising money for any one or more of the purposes outlined in Section 21701 of the Education Code of the State of California.

"AND WHEREAS it is the intention of this Board of Trustees to use funds obtained through the issuing and selling of bonds for the following purposes:

Add 15 classrooms to Montclair High School, $428,625;

Purchase 40-acre site in Upland, $300,000;

Construct south Ontario high school, $4,159,547;

Construct north Upland high school, $4,404,562;

Add 10 classrooms to south Ontario high school, $320,040;

Construct auditorium at Upland High School, $384,048;

Add 10 classrooms to north Upland high school, $320,040;

Contingency fund, $183,138.

"AND WHEREAS should change in population and therefore enrollment concentrations change it is the intention of this Board of Trustees to review with a citizens planning committee major changes in the allocation of funds for construction.

"BE IT RESOLVED that the election be held on the 28th day of May, 1963 and that the question of issuing and selling bonds of the Chaffey Union High School District be in the amount of $10,500,000, and

"BE IT FURTHER RESOLVED that the Board of Trustees of the Chaffey Union High School District authorize the Assistant Superintendent for Business Services to work with the office of the County Counsel of San Bernardino County, the County Registrar of Voters, and all other County agencies to prepare the formal resolution and order calling for a school district election and determine the election precincts, the officers of the election, the hours of the day during which the polls will be open, the purposes for which the bonds are to be issued, the amount of the bonds, the maximum rate of interest, and the maximum number of years which the bonds are to run, as well as the official wording on the ballots; the formal resolution to be approved officially by this Board of Trustees at the regular meeting designated to be held on Monday, March 18, 1963."

Magnolia Boundaries Established

Attendance boundaries for the new Magnolia Elementary School on west 15th St. were adoptd by the Upland School District trustees Tuesday night. The school will open sometime next month.

Starting with the center line of Euclid Ave. at Foothill Blvd., the boundary line goes north to 23rd St., west to Mountain Ave., north on Mountain to the end of Mountain Lane (the extension of Mountain Ave.), west to the county line including all area south of San Antonio Dam, then southwest to the center of Foothill Blvd. and east to the beginning point. All boundary lines of streets are center lines.

All students living within these boundaries presently attending first through sixth grades at Sierra Vista School will transfer to Magnolia School.

Kindergarten pupils presently attending Sierra Vista will not be disturbed and will complete the current year at Sierra Vista.

Trustees also received replys from State Senator Eugene Nisbet and Assemblymen Charles B. Garrigus and John Quimby in response to a letter attaching a resolution seeking an extension of time for completion of a master plan for school district reorganization.

Garrigus, chairman of the Assembly Committee on Education, said he would favor the extension and would do what he could.

Nisbet stated he did not know exactly how to proceed but would keep the board informed.

Quimby asked in his letter if any legislation on the subject had been proposed and said he would like to hear from the district if they knew.

Trustees also authorized the purchase of a new 79-passenger bus from the low bidder, MPC Equipment Co. in Anaheim. The GMC chassis with Blue Bird body will cost the district a net of $13,000 with $2,397 coming from state funds.

Mrs. Mary Lee Latimer, representing the Upland Teacher's Club, made recommendations for a new salary schedule which will be considered during budget preparations by the trustees.

The board also officially accepted the new multi-purpose room at Baldy View School where the Tuesday meeting was held.

Review Troop 641 Charter March 18

The Alta Loma Community Chamber of Commerce has issued a request that members of the board and fathers of Boy Scout Troop 641 attend a meeting at 8:15 p.m. Monday, March 18.

Sewer District May Exclude Part Of Red Hill

Certain portions of the properties in the Cucamonga Red Hill area may not be included in the proposed Cucamonga Water District's "Sewer Improvement District No. 1", according to an announcement by Norman Hixson, Water District Secretary - Manager.

A recent mail poll taken by the Citizens Sewer Advisory Committee although indicating a majority favoring the proposal revealed that residents of a small section of Red Hill represented the bulk of opposition to the sewerage improvements being considered by the Water District, Hixson explained.

"The Board of Directors has not spoken officially on this matter," Hixson stated, "but from informal conversations I believe the Board Members would be inclined to eliminate these properties from the planned areas of benefit."

The Directors have passed a resolution setting April 3 for a public hearing on the boundaries of the proposed improvement district. A notice of the hearing will be mailed to all property owners on March 15.

The Engineering Consultants hired by the Water District to study the area's increasing sewage disposal problems, have recommended construction of a modern sewage system to serve all of the presently built up areas within the District south of the proposed upper freeway, at a total cost of 1.5 million dollars.

The District's Financial Advisers have recommended that these trunk sewers and sewage disposal plant facilities be financed thru a general obligation bond issue, which would require two thirds majority voting approval.

The District Board has not set a date for such an election, but probably will decide to hold it about the middle of May, Hixson reported.

Alta Loma PTA Installs Officers; Hears Chaffey Dean Talk On Youngsters

By Mrs. Wendell C. Walker

Boy Scout Troop No. 64 opened the Alta Loma PTA last Thursday evening by presenting the Colors and leading te flag salute. "Let's be 'builder uppers' in our criticism" was the theme of the "Thought for the Day" presented by Mrs. Waunetta Walker.

Mrs. Millard Herr, President, announced that the Home Nursing course has been postponed - possibly until April.

It was announced that the Foothill Council will have their installation of new officers on March 31 to be followed by a luncheon at the Edison Company in Ontario. New cooking equipment will be introduced to the group at that time.

Mrs. Lucille Smith, Alta Loma PTA Past President, installed the new offices for the coming year. She was president ten years ago and said that this reaffirmed her faith in the principles of the PTA that this is the best way for parents and teachers to work together for the good of the children.

She likened the new PTA officers to those of a ship, stating that the trip would last a year and each officer must be prepared to spend some time away from home.

She made the following comparisons to those present: Mrs. Albert Arbezzi, Historian, assistant to ship's clerk; Mrs. George Stamm, Parliamentarian, special liason officer to promote friendship; Mrs. Gilbert Wells, Treasurer, purser; Mrs. Marvin Brandt, Secretary, ship's clerk who will log the ship's voyage; Mrs. Waunetta Walker, First Vice President, assistant to the captain; and Mrs. Millard Herr, President, captain of the ship with the fate of the ship in her hands.

Mrs. Grace Anderson, Second vice President, was unable to attend.

The new slate of Board Members were also introduced by Mrs. Herr. They are as follows: Mrs. Thomas Lees, Budget and Finance; Mrs. J. W. Masters, Newsette; Mrs. Wendell Walker, Publicity; Mrs. Eugene Billings, Welfare; Mrs. Clifford Simmons and Mrs. William Lane, Membership; Mrs. Doran Ripley and Mrs. Seapy, Hospitality; Mrs. Jack Whitney, Room Representative; Mrs. Lee Hunter, Child Health; Mrs. Lawrence Ornelas, Well Baby Clinic; Mr. Jack Fletcher, Parent Education; Mrs. Daniel Hamiel, Character Education; Mrs. Clarke Boesen, Telephone; Mrs. Elmer Williams, Music; Mrs. John Gill, Magazines; Mrs. Lloyd Michael, Motion Picture; Mrs. Jack Stephens, Scout Representative; and Mrs. John Hargrave, Honorary Life Membership, Mrs. Leland Pierson, Legislation.

Mrs. Kenneth Hinrichsen introduced the speaker for the evening who was Miss June Tietsworth, Associate Dean of Student Personel at Chaffey College, who spoke on "Learning to Live with Adolescents."

Miss Teitswort stated that many parents wait to prepare for the period of adolescents until it is upon them and then it is too late to do much about. The time to start preparing for this "period of many changes" is when the child is as young as five years old.

Some of the common traits of this time, according to Miss Teitsworth, are: the adolescent is not consistent - one day he is a child, the next an adult; communication is difficult; gets embarrased easily and he has deep feelings.

She closed by giving some pointers to the parents such as: do things as a family, be consistent, don't talk about adolescent problems in front of others, don't push, be interested in them; and let them know you love them.

Hostesses for the evening were: Mrs. Albert Gadomskim, Mrs. Stephen Butters, Mrs. Robert Yoder and Mrs. Gwendolyn Garner.

Concert Group Closes Drive For Members

The kick-off dinner launching the tenth Membership Drive of the Upland-Ontario Community Concert Association was staged Feb. 25 at the Red Hill Country Club. The drive was for one week, Feb. 26, through March 2.

Mrs. William Crowe of Upland was general chairman for the dinner honoring the workers for the 1963-64 one-week Membership Campaign. Mrs. E. J. Sandford, Ontario, assisted Mrs. Crowe in decorating the tables.

Seated at the head table were: Mr. and Mrs. Myron Tweed (Mr. Tweed is president of the Association); Mrs. Campbell Nelson, second vice-president and general membership chairman; Mrs. D. Cason Mast, publicity; Roy Cooper, Columbia Artists Representative; Francis Wilson first vice-president and Mrs. Wilson; Robert L. Jones, treasurer and Mrs. Robert L. Jones; Mrs. William Crowe, dinner chairman and Mrs. Leone Kirkland Concert secretary, and Mrs. Elizabeth Kagler, recording secretary for the Association.

Myron Tweed paid tribute to workers who did outstanding work in the 1962-63 Membership Campaign.

These people sold 30 or more memberships: Mrs. Bruce Claflin, Upland; Mrs. F. H. Jacobs, Upland; Mrs. Campbell Nelson, Mrs. Cesare Val, Miss Bess Roberts, Mrs. Ruth Woodham, Mrs. Kenneth Anderson, Mrs. Kercheval Thomas, Miss Lucille Majors, Mrs. Michael Klimke, Mr. and Mrs. Francis Wilson, Upland; Mr. and Mrs. William Ray, and George Ford.

The Royalaires, male quartet from Upland College, presented the entertain for the evening.

Roy Cooper, Columbia Artists Representative, reported on the great interest in music in the United States today. He cited figures of number of students studying music, and the popularity of various instruments.

The piano is leading in preferred instrument; guitar, second and the strings third. He reported on the interest in concerts and said "Concert music is here to stay."

Mr. Cooper reminded his audience that three outstanding holds have been taken for the forthcoming season: They are: The Kansas City Philharmonic Orchestra, The Robert de Cormier Folksingers formerly the Belafonte Folksingers, and the The New York Pro Musica.

BPW Program On Finance

Upland Business and Professional Women's Club will hold their regular dinner meeting at 6:30 p.m. on Thursday, March 14 at the Upland Womens Club.

Mrs. Helen Rogers, Chairman for the evening, announced the program would be on Finance.

Mrs. Martha Jones who is credit manager of the Suburban Gas Co. of Pomona will serve as the speaker and will have a panel who will discuss Finance and Credit.

Mrs. Jones is well known for her work in the Credit Womens Club, having served as the First President of the Ontario Club, as President of the District and is now serving as a National Officer.

The musical part of the program will be a Barber Shop Quartet from Upland High School.

Panhellenic Has Program On Clothing

Clothing has far more impact on family and community living than most people realize, Mrs. Gayle P. Austin of San Bernardino told members of Chaffey District Panhellenic Society last week.

The society met March 7 at the home of Mrs. Glenn M. Deal, 630 West 25th St., Upland, to hear Mrs. Austin, home advisor with the Univ. of California Agricultural Extension Service for San Bernardino county, talk on "Line and Design in Clothing".

Mrs. Austin stressed various aspects of clothing's role. "It plays an important part in our initial appraisal of others," she said.

Other points she discussed were: The well-dressed woman is a boon to the community. Clothing has a psychological effect on all family members, and the selection and making of clothing contributes to mental health.

The three fashion silhouettes, the bell, bustle and tube, reoccur cyclically every hundred years, Mrs. Austin said. "The tube, or straight silhouette, as seen in the shift," she said, "is most popular now."

Mrs. Austin showed various skirt sytles illustrating the various silhouettes and discussed their selection to create desired visual effects.

Mrs. Jane Crawford was in charge of program arrangements, assisted by Mrs. Alan Swinler and Mrs. Dick Pehl. Mrs. Kenneth Litchfield, hostess chairman, was assisted by Mrs. Gwen Roberts, Mrs. Charles H. Kalbach, Mrs. W. C. Groneweg, Mrs. Philip White, Mrs. Fredrik Olausen, Mrs. Frank Pendergast and Mrs. W. M. St. Clair. Mrs. Jack Blair was a guest.

Mrs. Willard Baier, 303 East Princeton, Ontario, will be hostess to Panhellenic members at the April 4 meeting at which a program also will be given. A report from the nominating committee, Mrs. H. Logan Locke, Mrs. Philip White and Mrs. Forrest Doucette, also is scheduled.

Rebekahs Initiate 4 New Members

The Silver Link Rebekahs initiated four new members at the March 8 meeting.

Mrs. Diana Harkins, Mrs. Judith Gleen and Mr. and Mrs. Henry Post were greeted by Mrs. Julia de Paula and her staff after responding to the order of the degree.

The lodge also donated $77.28 to the United Heart Fund which was the proceeds from the joint Odd Fellows-Rebekah heart breakfasts.

Mrs. Margaret Mathason was in charge of the dining room.

The Rebekah Social Circle will meet at 8 p.m. Friday, March 15 at the home of Mrs. Harvey McKean, 562 N. 1st Ave.

Sirens Witness Cosmetics Demo

The Upland Sirens recent monthly meeting at the home of Mrs. Howard Paulin, 1170 Ukiah Way, featured a cosmetics demonstration by Mrs. Marcia DiCarlo and Mrs. Ann Casey. They presented the correct methods of applying packs, creams and make-up.

After their demonstration each member was given the opportunity to make herself up using the same methods. Mrs. Casey and Mrs. DiCarlo tried to aid each one in selecting the right type of cream, make-up base and lipstick.

Co-hostess of the March meeting was Mrs. Paul Harmon.

Door prizes were won by Mrs. Sid Powell, Mrs. Bart Smith and Mrs. Fred Strohte. Refreshments were served following the evenings presentation.

Others attending were the Mmes. Bill Russell, Howard Seay, Ken Steslicki, Warren Nece, Jim Griffith, Rodney Bubier, John McCarthy, Robert Woodrum, and Richard Mess.

'Come To School' Open House Set By OPARC March 15-16

The Ontario Pomona Association for Retarded Children is again inviting the people of the communities it serves to "Come to School."

The occasion is OPARC's second annual Open House which will be held from 9:30 a.m. to 12:30 p.m. on Friday and Saturday, March 15 and 16, at OPARC Day School, located in the Temple Baptist Church Annex on 217 West California St., Ontario.

Classes for the children who attend the Day School will be in session from 9:30 a.m. until 2:30 p.m. on both days of the Open House. A working unit from OPARC Workshop for retarded adults in Pomona will be operating also in order to demonstrate the program being offered there.

Visitors will have the opportunity of seeing both trainees and teachers carrying on their usual daily schedule. Tours will be conducted periodically during both days by mothers of children attending the school. There will be displays of teaching and training tools, and of the trainees' work, as well as displays depicting other services offered by the Association as a whole.

Coffee and refreshments will be served by hostesses, and Association members will be on hand to answer questions and to explain OPARC's aims, purposes and future plans.

There will be a nursery to provide child care for the younger visitors.

Mrs. Kathrine Gull and Mrs. Thomas Sims, co-chairmen of the Day School, are being aided in planning and carrying out the Open House by Mrs. Douglas Houlihan and Mrs. Gary Bowers of Montclair; Mrs. Jesse Gutierrez of Chino; Mrs. Leo Habas, Mrs. Sol Klapp, Mrs. Ruben McCain, Mrs. Thelma G. Smith of Ontario; and Mrs. John Meyers and Mrs. W. A. Nisbett of Upland, as well as other members of the Board of Directors of OPARC.

Teachers participating are the principal, Mrs. M. C. Williams of Montclair; Mrs. Oscar Morton, Mrs. Ila Mason of Ontario; Mrs. Harry Swanlund and Mrs. John Staten of Chin; Mrs. Marilyn Hwell f Cucamonga.

Presko-Paine Wedding Rites In San Bernardino

Miss Linda Ann Presko became the bride of Abbott Eugene Paine in an 8 p.m. candlelight ceremony March 9 in Central Church of Christ, San Bernardino.

Albert H. Karges, Jr. officiated at the double-ring rites uniting the daughter of Mr. and Mrs. John Presko of San Bernardino and the son of Mr. and Mrs. Vernon V. Paine of 215 W. 20th St., Upland, before 400 guests.

The bride, given in marriage by her father, chose a sheath-style gown of French Princess tucked Chantilly lace with bustle bows topping a full train of silk organza and lace. The bodice was styled with a modified Sabrina neckline and elbow length sleeves.

The veil of imported silk illusion was held in place with a double lace crown featuring pearl trim. She carried a bouquet of white anthuriums and a white hankerchief which was a gift from the groom's mother.

Mrs. Karl Harris, Jr. of Riverside was Matron of Honor. She was attired in a green sheath of silk organza over taffeta with matching shoes and headpiece and carried green-tipped white roses, greens and silver streamers.

Dressed in similar gowns of lighter shade were the bridesmaids, Miss Patricia Sweany and Mrs. Douglas Dulin, both of San Bernardino. Their bouquets of green-tipped white roses featured light green streamers.

Flower girls twins Mary and Judy Busch, dressed in light green silk organza dresses, carried green baskets of white rose petals. Stephen Karges was ring bearer.

Nevin Miller of Rialto stood as Best Man. Performing ushering duties were John Presko of San Bernardino, brother of the bride, Bill Barber of Colton, George Bowman of Turlock, a cousin of the groom, John Taylor of Fontana and Karl Harris, Jr. of Riverside.

The bride's mother chose a green silk flowered sheath with matching shoes and a white hat for her daughter's wedding. The mother of the groom was attired in a pale beige crepe sheath with matching chiffon overblouse, matching shoes and a flowered hat. Both had bouquets of white orchids.

A reception for 300 guests was held immediately after the ceremony in the church social hall. Assisting hostesses were Miss Ola Dennis, Miss Ethel Dennis, Miss Patricia Young, Mrs. Joe Reynolds, Mrs. Irvin Thompson and Mrs. Blanche Howell, members of Lydianite Circle of Central Church of Christ.

A rehearsal dinner on Friday evening was hosted by the groom's parents at Mission Inn in Riverside.

Following a week's wedding trip, the newlyweds will be at home at 210 E. 10th St., Apt. 1, San Bernardino, after March 18.

The new Mrs. Paine, a graduate of San Bernardino High School and San Bernardino Valley College, is employed as a legal secretary in San Bernardino.

Mr. Paine, a graduate of Chaffey High School and the University of Oregon, is associated in the newspaper brokerage business with his father.

Girl Scout Leaders Go To School

Girl Scout leaders are going back to school this spring. In the greatest training effort ever undertaken by their organization, all 1200 troop leaders and assistant leaders in the East San Gabriel Valley Girl Scout Council will polish up their present knowledge of Girl Scouting and learn some new ways of doing things.

Purpose of the training is to prepare Girl Scout volunteers for a program change that will become effective in September 1963.

"We have known for some time," says Mrs. Frank Wyrostek, Girl Scout district chairman for Chaffey District, that new handbooks were being written for four Girl Scout age levels instead of the three we now have. Our leaders are excited about the training course that will prepare them for Program Change."

Each leader will be introduced to the program design for all four age levels. This is being done because one main purpose of the program change is to establish better continuity from beginning to end of the 7-through-17 age range in Girl Scouting.

The kind of training a leader receives in the Girl Scout organization affects the lives of thousands of girls who do and will belong to our Council.

The training for Program Change, which is destined to revolutionize America, is being offered to meet the needs of our Adults so that we may bring better program to the girls in Girl Scouting.

Cub Pack 1 Holds Annual Blue And Gold Banquet

By Jeanne Bubier

Cub Pack One held their 13th Annual Blue and Gold banquet on Feb. 23, at Upland High School cafeteria. Mr. Gilbert Herman began the meal with the Invocation.

While everyone enjoyed the delicious food cooked by all the Cub Scout mothers, Bonnie, Susan and Mark Van Vlack at their accordians, and Nancy Coe at the piano entertained with some quiet music.

The Cubs served cake and ice cream to all who still had some room for it.

The opening ceremony was the next event of the evening and was led by Den 8.

Master of Ceremonies, Ed Loescher, introduced the guests, Mr. Richard Riley, Institutional Representative, Mr. Ian Richardson, Council Representative and Mrs. Larry Lenz, representative of the P.T.A.

Mr. Riley welcomed everyone. Mr. Richardson presented the charter to Mrs. Lenz. She accepted on behalf of Upland Elementary P.T.A., who are the sponsors of the pack.

Mr. Richardson then presented Cubmaster, Fred Schnieder and Asst. Cubmaster, Bob Knighton with their registration certificates.

Everyone joined in the group singing led by Bob Gallion. The Den skit followed with Den 7 presenting The telling the meanings of Truth, Story of the Blue and Gold, Spirituality, Good Cheer, Steadfast Loyality, Happiness and Blue and Gold as they pertain to Cubscouting.

Den Chiefs stood for recognition as follows: Alan Gordon, Den 3, Steve Gwillim Den 4, John Lindboe Den 6, Joe Prologo Den 7, Glen Parker Den 8 and Mark Groshong, Webelos Den.

Al Canestro and Fred Schnieder welcomed four new Bobcats in to the Pack. They were assisted in the candle lighting ceremony by Den Chief Alan Gordon. The Bobcats are; Mark Graydon Den 3, Larry Harteker, Den 5, Craig Trueblood and David Epps Den 8.

The following Cubs received other awards: from Den 3, Harold Cresswell, Wolf badge and Assistant Denner stripe; Jeffery Kirkpatrick, gold arrow; James Kuester, gold arrow and Recruiters badge; Robert Tennant, Denner stripe.

Den 4: Rodney Gwillim, 2 year service star and 2 year perfect attendance; Mark Hill, Denner stripe and Johnnie Knighton, Assistant Denner stripe.

Den 5: Rodney Bubier, gold and silver arrow; Kenny Schnieder, gold and silver arrow; Jan Clark, silver arrow and Asst. Denner stripe.

Den 7: Steve Trobaugh received his Lion badge and will now go into Webelos. Albert Canestro, 1 year service star and 1 year perfect attendance; David Fredricks, 1 year service star.

Den 8: Mark Van Vlack, Wolf badge and Denner stripe; Robert Kuester and James Halverson both received Lion badges and will now go into Webelos. Danny Linthicum, Asst. Denner stripe.

Eric Cullins and Gary Jenkins, finished Cubbing and were graduated into Scouting. They received the Webelos Arrow of Light and their graduation certificates. Fred Schnieder also presented them with a plaque signifying all awards received while a Cub. Mr. Groshong of Troop 622, received them into Scouts and presented them with Boy Scout neckerchiefs.

Two Den Chiefs were awarded. Joe Prologo of Den 7 received a Den Chiefs Cord and Steve Gwillim of Den 4, a grand howl.

Den Mothers who received 1 year service stars were: Marion Jenkins, Den 2; Marlyn Webster, Den 3; Bobbie Railsback, Den 5; Ann Rice, Den 6, and Dorothy Knighton Den 9.

Next Pack meeting will be March 29. The Den Chiefs led the closing ceremony.

101 Kiwanians In 88th Congress

A total of 101 Kiwanians are serving in the 88th Congress of the United States, according to information received by Bob Erickson, President of the Upland Kiwanis Club and H. Frank Penn, President of the Kiwanis Club of Alta Loma - Cucamonga.

There are 23 Kiwanians in the Senate, and 78 in the House of Representatives.

In announcing the extent of Kiwanis participation in the 88th Congress, Kiwanis International President Merle H. Tucker, Gallup, New Mexico, pointed out that Kiwanis, which constitutes less than one percent of the country's population, contributes more than a sixth of its national legislative leadership.

"This is in keeping with our traditional emphasis on the importance of assuming individual citizenship responsibility," Tucker said.

Dr. Ralph Eckert To Speak At PTA

Dr. Ralph G. Eckert, Director of Counseling and Guidance Services for the Riverside County schools, will speak at 7:30 p.m. Tuesday, March 19 at the Upland Junior High P.T.A. meeting to be held in the Upland Elementary Auditorium.

Other local P.T.A. units have been invited to hear Dr. Eckert, who will speak on child development and guidance and family relations.

Jaycees Set Auto Seat

Mike Justice, President of the Upland-Ontario Junior Chamber of Commerce has announced that the Jaycees will conduct a seat belt clinic at Ontario Plaza shopping center on April 26, 27 and 28 as another community project.

According to Larry Lawson and Don Hassis, co-chairmen of the project, the Jaycees will sell GSA and Highway Patrol approved seat belts for $6.00 per person and the belts will be installed free by trained crews.

Twenty special installation ramps will be set up on the parking lot at Ontario Plaza for the three day clinic, and it is estimated 2000 or more belts will be put int olocal automobiles.

Six colors and metal to metal buckles will be offered.

A contest with impressive trophies as awards will be staged in conjunction with the clinic. A trophy will be presented by the Jaycees to the group or organization pre-selling the most belts prior to the clinic. Sales will start March 25, and all local business houses and service clubs are invited to participate in the competition.

A second trophy will be awarded to the organization installing the most belts. Industrial plants and employee groups are being contacted on the installation program.

According to the Automobile Manufacturers Association and the National Safety Council, the 30,000 persons killed each year in traffic accidents could be reduced by 50 percent if all drivers used seat belts and the more than three million injured could be cut by 40 to 60 percent by use of belts.

It is also noted by safety experts that belts should be worn whether in local city traffic or on the freeway, as statistics show that over half of the auto accidents occur within 30 miles of home and at 40 miles per hour, or less.

Seat belts also prevent loss of control during sudden stops and turns it is pointed out, and this factor makes a safer driver under any circumstances.

Simply stated, seat belts are the least expensive insurance you can buy and according to local Jaycees "You Bet Your Life Without One".

Mt. Baldy Road Name Changed

The Board of Supervisors of San Bernardino County, by action taken February 25, adopted the recommendation of the County Planning Commission and ordered the following street name changes within the unincorporated area of San Bernardino County:

Mt. Baldy Rd., that portion on the original alignment, changed to Falls Road;

Ski Lift Road, and the new construction, to be designated Mt. Baldy Road.

Upland College Cagers End 'Most Successful' Season

It was quite a season for coach Paul Trautwein and his varsity basketball cagers at Upland College. It was the best year ever under the mentorship of Trautwein and the best season in the College's 43 year history.

Until the 1962-63 season got underway, a Spartan team had never won more than nine games in one year, had never won a trophy for the round-ball sport, nor posted a winning season in the near half-century that had passed.

In September of last year, Trautwein began the duties of another season and some four months later, every one of the above mentioned marks had fallen by the wayside.

Upland posted a season's slate of 13 wins and 11 losses to break the combined mark of a winning season and nine wins.

The Spartans after being knocked out of the Los Angeles Golden State Tourney in the first round in overtime, came back to win consolation honors and their first trophy.

Other thrills dotted the year including two triumphs over rival BIOLA, a team the Spartans hadn't defeated in 14 years.

Then there was the thrilling 85-54 upset over highly touted Cal Lutheran, two at the expense of LIFE College and two heart-breaking losses to Los Angeles Pacific, one in overtime and a two-point decision following a posted wrong score on the scoreboard.

Seven "ironmen" carried the load for the Spartans. Tom Todd played in 16 games but missed the final eight due to scholastic difficulties.

Andy Sandquist, Al Billington, Jerry Schipper and Todd handled the board work with Ray Plutko, Jim McCoy and Sandquist supplying the offensive punch.

Doug Lowney was the seventh man of the group and filled in as a capable reserve in about every position.

Sandquist pulled off 262 rebounds for the year and added 290 points from the field for a fine 12.0 average. Billington hauled in 129 rebounds and sported a 5.7 scoring mark. Schipper picked off 131 stray shots and a 9.3 average. Todd managed 107 rebounds and a 11.7 scoring mark.

Plutko and McCoy led the Spartans in the scoring department with Plutko sporting a 15.7 scoring mark and adding 82 rebounds. McCoy followed with a 15.1 average and 61 rebounds.

Sandquist and Todd led the locals in field goal percentages with 48 per cent from the floor. Plutko, McCoy and Schipper followed with marks of 46, 45 and 43 respectively. As a team, Upland shot 43 per cent.

Plutko won the foul shooting effort with most free throws made at 78 and the best percentage at 73. McCoy and Schipper were next in line with percentages of 67 and 65. As a team, Upland shot a meager 61 per cent.

McCoy captured the most point total with 363 markers and Plutko a notch behind at 362.

Lula Asper Awarded PTA Life Membership

At a recent P.T.A. meeting in the new multi-purpose room at Baldy View School, Miss Lula Asper received an award for outstanding work with Upland youth.

Mrs. Harvey Stump read a resume of the dedicated life Miss Asper has given to young people here and abroad. She has spent her life in a varied kind of work, from Skid Row in San Francisco to mission work in Africa.

She spent eight years as a missionary in Africa, serving as head mistress at a boarding school.

While in Southern Rhodesia, she mastered the Zulu language, did her own writing and illustrations for the children books published while she was there.

She has served in the Upland School System as a home teacher, and has worked with any child that needed her services. In the Los Olivas area, she helps parents and children alike, teaches at the Wayside Chapel Sunday School, and is never too busy to help.

She says she is just as much a missionary in Upland as she was while in Africa.

Mrs. Delbert Hensley, Founders Day Chairman, gave a short history of the P.T.A. and its purpose.

All the past presidents present were introduced. They were Mmes. Boris Cherbak, A. W. Stremmel and Robert Campbell.

The names of all past recipients of the P.T.A. Awards were read, and those present introduced. They were Mr. Ernest Fischer, Mrs. Ralph Mitchell, Mrs. Harry Olney, Mrs. Opal Hawes, Mrs. Boris Cherbak and Mrs. A. W. Stremmel.

Mrs. George Jayka, Baldy View President, introduced the Pioneer Girls of the Brethren Church, under the leadership of Miss Asper, who led the flag salute.

The 6th grade chorus, under the direction of Mrs. Jeannette Harris and accompanied by Mrs. Wilmer Snider, presented the musical selections- "Beautiful Things", "76 Trombones" and "Battle Hymn of the Republic."

Our guest speaker, Mr. Budd Westreich, spoke on the differences between our educational system here in America and what he learned by his year spent as an exchange teacher in Portsmouth, England.

His talk was very enlightening and humorous proving that boys and girls are the same the world over.

Mr. Westriech serves the County Superintendent's Office as the coordinator of secondary English and Journalism.

Red Cross MS Group Meets

With the purpose of acquainting the many new members of the Motor Service with each other and with the volunteers in charge of some of the other Chapter services, a sack luncheon was held by the Upland Chapter, American National Red Cross, recently.

Motor Service members were greeted by Mrs. H. W. Pochyla, Motor Service Chairman; Mrs. Thomas Ware, Acting Chairman of Volunteer Services; and Mrs. John Alderman, Chapter Executive Secretary.

A short orientation was given by Mrs. Alderman in the services and programs of the Chapter, and Red Cross policies and procedures.

Mrs. Gibson Ellerbeck, Jr. Red Cross Chairman; and Mrs. Arthur Accomazzo, Mrs. Robert McDowell and Mrs. David Van Every, Coordinators of the "Volunteen" program were introduced to the roup.

Those attending the meeting included the Mmes. Merle Preston, Robert Linzay, Ralph Welty, F. E. Guske, Hazel Welbly, Alfred Baublit, Donald Wake, C. H. Tomlinson, Arles Parker, Aura Veirs, Bernard Kelber, O. H. Turner, J. Baer, Lee Johnson, Robert Chaffer, Omar Swartzendruber, A. K. Penque, W. B. Howell, L. H. Albin, James Mertz, James London, C. K. Bassett, and E. J. Simonsen.

ARBOR DAY was observed in a special program at Valle Vista School March 7 which was highlighted by the presentation of three trees to the school from the PTA. Planting one of the trees during the ceremony were, left to right: Mrs. Frank Cooke, PTA president; 6th graders Susan Black and Martha Little and school custodians Lawrence Mueller and Frank Romero. In addition to music by the school bands, students presented scenes from the life of Luther Burbank and about trees.

Clan Capers

By Sue Thompson

Coming out in the winner's circle in several recent athletic contests, the Highlanders have high hopes for the new season. After all, it isn't every day that we win a CIF title in wrestling.

Also, the track team looked like one of the finest ever as they took every varsity event with the exception of the pole vault at the meet with Rubidoux.

* * *

Even though assembly is a dirty word at this point, it should be mentioned that the sophomores get a crack at one this week.

They will present a folk-singing group known as the Ridgerunners. The group is headed by Bob Steard of the famed Kingston Trio.

The first in a series of upcoming elections will be held on Friday, March 22 to determine which students will take over city administrative offices on March 29, Students Run the City Day.

For one day the students chosen will actually go through the routine of the city office they are elected to fill.

A dance, featuring Rod and the Drifters, of senior assembly fame, will be sponsored by the Le-highs Tri-Hi-Y on Saturday, March 16 in the cafeteria.

Marsha Hunt has been notified of her acceptance by the University of California at Riverside. Congratulations.

Thinclads Defeat Rubidoux

By John Whittaker

A strong Upland High School track team flexed its prowess in the Tri-County League last Friday by crushing visiting Rubidoux High 88½-15½.

The Highlanders won 11 of the 12 events with Terry Strohm highlighting the day by lowering the school record in the 100 yd dash to 9.8 seconds, while Paul Morales set a new mile mark of 4:45.3.

First place winners for Coach Paul White's spikesters were Jerry Cabonoc 120 high hurdles and 180 low hurdles; Strohm, 100 and 220; Rex Wignal, 880; Mike Ohaver, 440; Keith Zavitz, shot put; Dave Swihart, high jump; Rich Bare, broad jump; and Morales, mile.

In Bee action Upland breezed to a 70-28 win while the Cees won 61-24.

In the lightweight division Tom Shoji cleared 5'65/8" to set a new standard in the high jump, and Mike Shelby toured the 660 in 129.1 to replace another UHS record.

Tomorrow the track team will travel to Corona for its second league encounter.

Pioneer PTA Sets 'Fighting Filth' Panel

"Fighting the Filth Peddlers" will be the topic under consideration when the Pioneer Junior High School P.T.A. presents a panel discussion on pornography and filth in movies, television, and literature, at 7:30 p.m. on Tuesday, March 19 in the Pioneer Junior High library.

The panel will consist of Mr. C. R. Lankford, Assistant Probation Officer, San Bernardino County West End Office; Lt. John McCarthy, in charge of Juvenile Bureau, Upland Police Department; Rev. Charles C. McMahill, President, Upland Ministerial Society; Mrs. Charles Neff, parent; and Mr. Shelby Forrest, Principal, Pioneer Junior High School.

The Panelists will explore the relation between the problem and crime; legal means to control it; and the responsibility of the home, church, and school in combatting it. It has been requested that no children attend the meeting.

Museum 'Tour' To Feature Sao Paulo

The final event in the series of armchair tours of famous art museums of the world will be held in the council chamber of Upland City Hall at 7:30 p.m. Friday, March 15. The museum at Sao Paulo, Brazil is the subject.

Mr. Dan Scher, an instructor of adult art classes in Claremont, will be the host. Mr. Scher is also a psychologist at the Chino Institution for Men and a graduate of Santa Barbara State College with an M.F.A. degree.

The program, sponsored by the Upland Public Library, will include colored slides of 32 of the fine pictures from the collection in the museum at Sao Paulo.

An interesting fact about this museum is that, while it is one of the newest great museums in the world, it has succeeded in assembling enough art treasures so that it is numbered among the greatest.

This meeting will have sidelights on the development of certain parts of South America. Most Americans are conscious of the great growth of Brazilia, the new planned capital of Brazil, but there are other parts of the country that equal the growth of southern California.

All the previous meetings in the series have been well attended. This fact is most gratifying to the library which sponsored series and to the members of the art community who have served as hosts and hostesses, as it shows that there is a lively interest in this area in both travel and fine arts.

The meeting is open to the public. There is no admission charge and no collection will be taken.

Girls League Delegates At Confab

Upland High School's Girls' League was represented by nine delegates at the Annual Girls' League Spring Convention last week. The convention was held on the Ventura High School campus, and 13 schools were participants.

Almost 1000 girls and their advisors met to hear Mrs. Georgiana Hardy, Los Angeles School Board speak on "What Kind of Woman do You Want to Be?"

Theme of the convention was "Down to Earth - A Measure of our Challenge."

Discussion groups concerned careers and women, changing roles of women, is a college education necessary for every woman?, the woman and her community, the role of motherhood, choosing a husband, and developing a personality.

Attending from Upland High School were Jean McCallum, president of the Upland chapter; Leah Osborne, Jan Gehren, Gail Gehren, Jan Littleton, Stephanie White, and Pat Thayer.

Cucamonga Zone Change Sought

The County Board of Supervisors has set a continued hearing on the petition of Anderson and Johnson for a Cucamonga zone change for 3:15 p.m. Monday, March 18.

The petition seeks a change from R-1 to C-2, C-1 and R-3 on the west side of Turner Ave. between Arrow Rt. and Foothill Blvd.

UHS Wrestlers Capture C.I.F. Championship

By John Whittaker

Joey Caldera recaptured his CIF wrestling championship, and Loren Miller gained a second title as the Upland High School wrestling team under the guidance of Coach Pat Bandy won the California Interscholastic Federation championship.

The title is the second CIF championship in the sports history of Upland High. For two previous years Coach Bandy had seen his grapplers settle for runner-up honors in spite of domination of the semi-final round.

Six Highland wrestlers: Miller, Caldera, Bobby Caldera, Charles Presby, Eugene Martinez, and David Gonzales advanced to the finals held at Long Beach State College last Saturday, March 9.

Caldera easily overcame his first opponent 13-5 before wrestling to a tie with Piper of Simi Valley. Caldera held off a near reversal and then scored two points to defeat Piper in overtime periods. In the final match of the 115 pound class, Caldera defeated Calderon of Carpenteria avenging a loss to him last year.

Miller surpassed Alanez of Lompos and Downing of Bell Gardens in the 148 pound division to gain a finals berth opposite Westminster's Smith who had defeated the senior wrestler earlier this year. Miller erased all doubts when he defeated Smith 10-3 in the final match.

In spite of the victories of Miller and Caldera, David Gonzales was an equal hero when he defeated a Mira Coast wrestler in the semi-finals to gain second place in the 141 pound competition.

That victory decided the championship as Mira Costa finished the evening only 6 points behind Upland's total of 39.

Also vital in the Highlanders' victory was Presby who came back from a first round loss to finish third in the 106 pound class.

Martinez was eliminated after his winning first round opponent lost in the next round of 98 pound class action.

Bobby Caldera also met misfortune when he drew the Japanese national champion even though he lost by only one point. Haracowa, Japan's champ, went on to win the 136 pound class.

Presby, Bobby Caldera, and Martinez all have future years of wrestling on Coach Bandy's championship team.

Upland High School Principal Thomas Glasheen and the Director of Athletics Jerry Bell were present to witness the winning of the CIF crown.

Mayor Proclaims Chaffey College Day March 15

(Editor's Note: Upland Mayor Abner B. Haldeman has proclaimed Friday, March 15, as Chaffey College Day marking 80 years of educational services to the community. See also page 1 of the second section. Following is Mayor Haldeman's proclamation.)

WHEREAS, there was much foresight and planning in the development of the Chaffey School District, and,

WHEREAS, there evolved from that planning and growth Chaffey College, and,

WHEREAS, Chaffey College has contributed and is contributing much to the educational and cultural services to the communities in the West End, and,

WHEREAS, 80 years of such services are marked by the Date of March 15, 1963,

THEREFORE I, Abner B. Haldeman, Mayor of the City of Upland, do proclaim Friday, March 15, 1963, as "Chaffey College Day".

Steele Retires From SC Edison

It Says Here...

By D. F. Lawrence
YU. 2-5038

One morning last July, a happy young woman was driving to UCLA for a summer school session. While on Sepulveda Blvd., a driver in front of her swerved to avoid a stalled car. She wrenched her steering wheel, crossed the divider, was hit by an oncoming car.

From that day to this last Saturday, Mary Jane Barnett, niece of Mrs. Earl Wenger, has suffered both mental and physical torture.

That is all over now. The unexplainable and the uncontrollable has happened.

NOTICE INVITING BIDS

For Construction of Richland St., 11th Avenue, and 7th St. Sanitary Sewer

NOTICE IS HEREBY GIVEN that sealed bids will be received in the office of the City Manager of the City of Upland, California, up to 2:00 o'clock p.m. on March 18, 1963, and will be publicly opened by the City Manager at 2:00 o'clock p.m. on March 18, 1963, for the construction of Sanitary Sewers and appurtenant works, all in accordance with Construction Details, Standards, Specifications, Plans, and other approved Contract Documents therefor, on file in the office of the City Engineer of said City, to which Plans and Specifications bidders are referred for further information.

Plans and Specifications and all contract documents may be obtained at the abovementioned office of the City Engineer upon payment of a fee of $2.00 for each set of plans and specifications.

Each proposal must be accompanied by a certified check, cashier's check or Surety Bid Bond in the amount of not less than ten per cent (10%) of the estimated aggregate amount of the bid as a guarantee that the bidder, if successful, will promptly execute a contract in the required form and furnish a satisfactory faithful performance bond and material and labor bond. Each of said bonds shall be in the amount of one hundred per cent (100%) of the contract price.

Pursuant to the provisions of the Labor Code of the State of California, not less than the general prevailing rate of per diem wages and not less than the general prevailing rate of per diem wages for legal holidays and overtime work, for each craft or type of workman needed to execute the work contemplated under the Agreement, as ascertained by and set forth in Resolution No. 1503 adopted by the City of Upland City Council, shall be paid to all workmen employed on said work by the Contractor or by the subcontractors doing, or contracting to do, any part of said work.

All others shall be paid at the prevailing wage rates paid in the County of San Bernardino. Overtime applicable to each classification shall be paid at the prevailing overtime rate in the County of San Bernardino. The foregoing schedule of hourly wage rates is based on a working day of eight (8) hours. The hourly wage rates prescribed herein above are the per diem rates divided by the aforementioned number of hours constituting a working day. It shall be mandatory upon the Contractor to whom the contract is awarded and upon any subcontractor under him to pay not less than the specified rate to all laborers, workmen and menchanics employed by them in the execution of the contract.

Bids must be returned to the office of the City Manager enclosed within a sealed envelope with the words, "Bid - Richland St., 11th Ave., and 7th St. Sanitary Sewer" plainly marked on the outside of the envelope.

The right is reserved to reject any and all bids which the City Council may deem not to be to the best interest of the City and also the right to waive any informalities in a bid, and the right to award the contract for the above described work within 30 days thereafter.

Work of construction shall begin within 15 days after the signing of the contract and shall be completed within 45 calendar days after the date of the contract.

Further information will be furnished and detailed plans and specifications of the proposed work may be inspected at the office of the City Engineer of the City of Upland. Proposal blanks and copies of the plans may also be obtained from the City Engineer.

By order of the Council of the City of Upland, California.

Educator Asks Apprenticeship Program

"Some form of apprenticeship program must be developed for all those students in the age group of 15 to 18 who shouldn't be in public schools", according to Dr. Robert W. O'Brien, Chairman of Sociology Department, Whittier College.

"We must take a new look at the requirements which now demand that a student stay in school and follow a rigid curriculum. There are a number of students who would do much better for themselves and for society if they were trained for specific activities in apprenticeship-type instruction programs."

Dr. O'Brien, who recently returned from a one year teaching assignment at Exeter University in England, is a featured speaker at the upcoming California Health, Welfare and Recreation Conference, March 24-27 Hotel Statler Hilton, Los Angeles.

In addition to problem areas of juvenile delinquency and youth opportunities, school drop-outs and pushouts will be discussed by Lorenzo Traylor, Superintendent of Youth Opportunities, County of Los Angeles.

According to Mr. Traylor: "Minority groups have been given the cold shoulder treatment, in some cases, when one examines the roster of social and cultural clubs in some of our public schools."

With a theme, "YOU have a stake in the greatest state", this year's Conference is expected to draw more than 2,500 registrants from professionals in the social service field and interested community leaders.

A three pronged attack on the problems surrounding California's Health and Welfare will cover urban development, population integration and family patterns of living in 1963.

Drivers license examiners are needed in Southern California Department of Motor Vehicles is seeking men for appointment as examiners in DMV field offices in fourteen counties from Mono, Inyo, Tulare, Kings, and San Luis Obispo, southward to the Mexican border.

Ira Ray Stokes, manager of the DMV office at Ontario said information and applications forms for the competitive civil service examination to be given for the positions are available from the local office of the department, or from the State Personnel Board, 107 South Broadway, Los Angeles. The final filing date for the examination, he said, is Friday, March 22. Application forms postmarked before midnight of that date will be accepted. The examination is scheduled for April 13, and entrants will be notified of the locations in Southern California where the test will be conducted.

Requirements for the position include U. S. citizenship, education equivalent to graduation from college, or four years of experience in a position requiring such activities as discussion with the public, emphasizing explanation or interpretation of a product, policies, or procedures of an organization. Applicants must have been residents of California for one year before the date of the examination.

Hill To Attend State Meeting Of School Heads

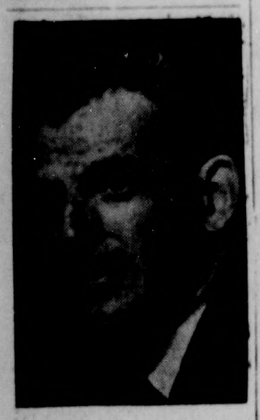

County Superintendent of Schools Roy C. Hill will attend the 1963 annual conference of the California Association of County Superintendents of Schools and County Boards of Education at Asilomar, California, March 24-27.

The theme of this year's conference will be "The County Superintendent's Responsibility for Better Health Through Total Fitness."

Also attending the conference are Mrs. Ruth O. Harris and Herbert S. Bailey, members of the county board of education; James W. Leathy, coordinator of health education; and Mrs. Frieda Murray, president of the fifth district of the California Congress of Parents and Teachers.

Topics to be discussed at the conference include health instruction, health services, mental health, and physical education.

Supt. Hill, who is president of the California Association of County Superintendents of Schools, will preside at the conference's first general meeting.

Beauty Hints

by JACK WALD

To continue our discussion of last week on the shading process, we go into other parts of the face. Last week we spoke of the cheek bone areas as well as the nose and nostrils.

The accent today in general seems to be on the eyes. Eye make up is very difficult to discuss in a general column such as this, however we will try to give you a few hints that you can use. If you should have questions on your own problems, do stop by and speak with me personally.

Eye liner is primarily for the upper lid and should be applied in a fine line. To get the effect of "doe" eyes, the corner of the eye should be raised as a child would do to get the Oriental look. The liner that extends beyond the eyes will then have the up and outward line we seek.

Eye shadow should be applied to the lid at the high point of the eye ball and bent outward. To put the eye shadow into the corner of the eye would make them more deep set than natural.

These are general rules to be followed. If we can help with individual problems please let us know.

For further information about your complexion or hair, stop and see me personally at the Ontario Beauty College, at 115 N. Lemon Street (opposite the Orange Hotel) for a consultation. There is absolutely no charge or obligation for this service. We are open from 8:30 a.m. until 10:00 p.m. Monday thru Friday, and 8:30 until 5:00 on Saturday. YUkon 4-2546.

Alta Loma High School's teaching staff is now being selected by Chaffey District administration as enrollment figures are analyzed.

Burt Wiley, principal, released the names of five teachers who will transfer to the new school in the fall. Others will be selected shortly. Mark Alexander, District Superintendent of Food Services, also announced that Mrs. Myrtle Johnstone will be promoted to ALHS cafeteria manager.

Making the shift to Alta Loma from Upland High School are Mrs. Polly Picard, business education and public relations; Mrs. Viona Ramsey, English and dramatics; Robert Linzay, social studies; and Harley Lovitt, physical education. From Montclair High School are Clark Heiple, art and crafts; and Mrs. Johnstone, transferring from the Montclair cafeteria.

Mrs. Ramsey has been on the UHS staff eight years. She is a graduate of Yankton College, S.D. where she was awarded her B. A. degree magna cum laude. She did graduate work at the College of William and Mary, Virginia; Arizona State College, Redlands University, and San Bernardino Valley College.

Her fields are biology, English, and drama. She is a member of Epsilon Sigma Alpha national sorority, and has participated in many community theater projects.

She taught at Yankton, S.D. Camp Verde High School, Ariz., and Mohave County Union High School, Kingman, Ariz., before coming to Upland.

Mrs. Picard joined the UHS staff in 1957. She is a graduate of West Virginia Institute of Technology with a B. S. degree in business education. She has done graduate work at Long Beach State College, University of California at Riverside, and special work in hotel administration at Cornell University.

Her fields are business education, journalism and history. She has handled public relations for Upland High School since early 1958, and will continue in that capacity at Alta Loma.

Prior to her tenure at UHS, she taught in West Virginia, and on the evening college staff of Chaffey College.

She was personnel director of the Hollywood Beach Hotel, Florida, and a field director of the Girl Scouts in Washington, D. C. Mrs. Picard is a member of Kappa chapter Phi Mu Gamma, and of Who's Who in American Universities and Colleges.

Mrs. Johnstone served on the cafeteria staff at Upland High School as head cook for a year. She transferred to the salad department, and then managed the staff dining room. From there she went to Montclair as head baker.

Previously she was manager of a restaurant, a dry-cleaning store, and a gift shop.

Harley Lovitt has been on the physical education staff of UHS for 8 years. He attended the University of New Mexico, and received his B.A. degree at the University of Redlands.

He coached football, golf, and basketball at Upland. Before his Upland job, he taught at Upland Junior High School.

His fields are physical education, biological science. He has done graduate work at Claremont, Redlands University, and Los Angeles State College.

Robert Linzay joined the UHS staff last September. He is a graduate of John Brown University, Arkansas, with a B. S. degree. His master's was awarded at the University of Arkansas.

He did graduate work at North Texas State College, Arlington State College, Texas, LaVerne College, and the University of California at Riverside.

His fields are social science, English, and history, with graduate work in education administration. He is a member of Phi Delta Kappa fraternity.

He taught at Siloam Spring, Arkansas, West Side School, Arlington, Texas; Brown Military Academy, Glendora, and Upland College.

Clark Heiple has been at Montclair High School since 1958. He is a graduate of Cedar Falls College, with a B.A. degree. His master's was earned at Highlands University, Las Vegas, New Mexico.

He has done graduate work at Penn State and the University of Kansas. He taught at San Bernardino High School, at Prescott High School, Arizona, Iowa State Teachers College, and Fresno State College before coming to this area.

His present assignment is that of art teacher at Montclair High School.

FACULTY MEMBERS in the beard growing contest for Chaffey College Founder's Day celebration are awaiting the word from the judges. From left to right, Don Wargin, Master of Ceremonies, Joe Iantorno, Jack Pierce, Rex Wignall, Olof Snyder, Joe Ulmer, Dan Milliken and Larry Brewer. Judge Lou Grimm is making one final analysis.

Chaffey Student Nurse Honored

The Chaffey College nursing division walked off with top honors at the student nurses annual banquet when Nancy Hutchins, Chaffey's entrant was awarded the Student of the Year recognition for District 2 of the Student Nurse Association of California.

Miss Hutchins, a nursing major, was selected as a contestant by her fellow students to represent Chaffey College in the competition. The first place award was judged on the basis of Grade Point Average, personality, community work and leadership qualities.

"The first place award is very gratifying," Mrs. Ruth Schindler, Coordinator of Nursing at Chaffey stated, "particularly when we consider the high quality of competition. There were entries from Los Angeles State, Long Beach State, Los Angeles City College, Orange Coast, Fullerton, Mt. SAC, Riverside City, and Loma Linda College. Nancy will be the district's entry in the statewide contest to be held in Los Angeles this spring. We have high hopes for her to win the state title."

Miss Hutchins will complete her studies at Los Angeles State and her future plans are to become a school nurse in the California School System.

Chaffey College Plans Anniversary Celebration

Plans for Chaffey College to celebrate the 80th anniversary of its founding on Friday, March 15, have been completed by a committee of students and faculty members.

Theme of the celebration will be "Days of '83" with the entire campus participating. Old fashioned costumes will be worn the week preceding the anniversary, beards for the men and bonnets for the women will be in evidence.

Classes will be dismissed at noon on March 15, with the students organizing games, log-rolling, fast-draw and many other contests in keeping with the theme.

Booths will be set up in the area just north of the Campus Center, which will be the hub of the day's activities.

Prizes will be awarded for the best costume, men and women, best beard, and the students will compete for the "Black Bart" and "Lily Hickpine" titles.

Following the games and contests, a chuck-wagon dinner will be served in the Cafeteria from 5 to 7 p.m. Menu for the day will be spaghetti or tuna and the public is invited.

A section will be set aside for the Alumni of Chaffey College, with special honor going to classes of each decade since 1893. Alumni are invited to meet during the afternoon in the Faculty Lounge in the Campus Center from 1 to 5 p.m., where an open house will be held.

Immediately following the dinner, a program of oleo acts will be presented in the Campus Center, after which will be special awards to outstanding alumni.

A Dance will be held in the Campus Center for all who wish to attend. For those who do not care to dance, two showings of the hit movie, "Picnic" starring William Holden and Kim Novak will be presented in the Little Theater at 8:15 p.m. and again at 10:30 p.m.

A special appeal is made by the student body of Chaffey College for all alumni, particularly former class officers to contact the Alumni Association Office at Yukon 7-1737, Ext. 20.

Reservations for the dinner, which are $1.00 per person may be made through the same extension. The public is invited to attend the day's festivities.

WHAT NEW WONDER WILL HELP THESE LADIES SHOP
...in the all-electric future?
By the time these little girls have families of their own, they may be shopping with a 2-way TV-telephone. They'll tune in the department store or market and select their jams and cookies and the newest shade of lipstick—in color—without budging from their homes
While the electric industry is pioneering tomorrow's work-saving appliances, it is also continuing to lead the research to find new sources of electricity. And logically so. Electricity is our business.
In the future, you'll be hearing more from Edison about new ways of producing electricity from such things as nuclear energy, fuel cells, thermionic conversion and other developments in research.
Edison's promise is this: as new ideas in modern electric living come along, we'll continue to bring you the abundant, low cost electricity you'll need to enjoy them.

A Solution For Euclid Parkway

WE HAVE A SOLUTION to Euclid Avenue landscaping.

We propose that the City of Upland purchase Podocarpus trees and plant them immediately in Euclid Parkway from the Freeway to Foothill Blvd., one tree between every existing tree.

This basically is very simple, and will solve our problems for a long time.

The reason we pick the Podocarpus is because it is a tree that has leaves all year around. It is a good tree for this area, and if properly trimmed will not be so excessive in height as to endanger anyone.

The City of Upland already has established that the Podocarpus is a good tree to plant in Euclid Parkway.

The new landscaping program already planted between 9th and C Streets includes small Podocarpus trees.

When the City Manager was asked some time ago at a public meeting why Podocarpus trees were planted between 9th and C Streets, but not all up and down Euclid Parkway, his answer was:

"Because fewer Podocarpus trees are less risk than a lot of Podocarpus trees."

* * *

WE PROPOSE that Podocarpus trees be planted from Foothill to a block north of the Freeway.

If this is done in one big planting spree, it will mean that the city would buy trees in wholesale lot to save money.

It also will mean that all the new trees are of the same height.

It generally is understood that planting a new tree in the same hole in the ground where an old tree stood, is not conducive to the best growing conditions.

Therefore, we propose that the new trees be planted uniformly the whole way, but between all the existing trees.

Then when an old tree blows down, or is chopped down, it will not touch the new trees or injure the uniformity of Euclid Parkway.

* * *

IF THESE TREES are planted right away, they will be in good shape to face the hot summer, and we will not have to wait a full year for another winter.

And most important, if we can get all these new trees in the ground for several years before the old Peppers are completely gone, we will be disturbing the appearance of Euclid Avenue as little as possible.

By the time the old trees are thinned out, or gone, we will have a nice new row of trees of the same height ready to carry on the historical beauty of Euclid Avenue.

* * *

WE HAVE NOT COMMENTED editorially on Euclid Parkway since the Euclid straw poll we conducted.

On the four questions we asked the people in the poll, including taking out the landscaping between 9th and C, and the lighted reflection pool at the Madonna statue, the response was from 69% to 89% who wanted Euclid retained in historical natural beauty with nothing but rows of trees.

We feel the people will go along very easily with our plan to replant all of Euclid Parkway.

* * *

WE ALSO HAVE WITNESSED three groups in Upland who have expressed themselves on the Parkway, up to now.

The Upland Chamber of Commerce, the Upland Business and Professional Women's Club, and the Upland-Ontario Junior Chamber of Commerce have voiced their desire to let the people vote on whether the tree-lined beauty of Euclid should be retained, or whether modernistic landscaping with palm trees, ivy, pools, and whatnot should replace the trees.

We are of the opinion that the sentiment of the community is stronger on this point of retaining the trees on Euclid than on any other subject, except possibly that of "survival" of the City of Upland as a separate entity apart from our neighboring southern friends.

* * *

PLANTING PODOCARPUS trees on Euclid now will solve the controversy, which we know will not be lulled into a death-by-default controversy. It is bound to be a major issue in the next city election in April, 1964, when terms of Councilmen Kistinger and Marriott expire.

The interesting question, of course, if whether a referendum, or initiative, takes place before that time; or whether a reasonable solution of tree planting is undertaken right away.

To prevent this controversy from splitting our community even further, with possibly more bitter and irreperable divisions, we hope that our new suggestion is accepted quickly and easily as a good solution.

Serving The Future - The Girl Scout Way

When we thing of Girl Scouts we think of youngsters — and so most of them are — over 8,700 in the East San Gabriel Valley Council. However a number of the "girls" are over 18.

There are even a number of grandmothers among the adults who make it possible for girls to share in the countless activities which Scouting offers.

The variety of these activities means that there is something for every girl in Scouting, whether she be interested in nature, the arts, homemaking or learning about other countries and meeting girls from other lands.

To explore these varied fields the girls need qualified, well trained leaders and program consultants. In addition, adults are needed to keep the council machinery running smoothly to provide good program and good camping facilities.

In our community, more than 3,000 dedicated women give countless hours of thought and hard work to their troops. They attend regular meetings, plan and go on outings and acquire new skills which they can share with their troops.

Leadership responsibilities sometimes call for sacrifices in social and family life, for girls are quick to sense if a leader is halfhearted. Girls need a consistently stimulating program to hold their interest and it is the leader's job to keep it so.

A Girl Scout leader must be friend and confidante to every member of her troop and stand ready to give sympathetic, personal help to any individual girl who needs it.

If you ask Girl Scout adults why they are willing to give so much time and effort to Scouting, they will probably tell you that there is nothing more rewarding and stimulating than working with impish Brownies, unpredictable, growing Intermediates and more mature Senior Scouts on the threshold of womanhood.

Adult Girl Scouts also have the satisfaction of knowing that they are helping to prepare the citizens of tomorrow.

There are many more girls who would like to join the Girl Scouts who cannot because there are still not enough leaders to form new troops.

We owe it to all girls who wish to be Girl Scouts to make it possible. Scouting is everybody's business.

We salute the Girl Scouts on their 51st anniversary.

Blue and Gold Dinner Held By Pack 653

The annual Blue and Gold Potluck of Cucamonga Cub Pack 653 was held Feb. 21 in the multi-purpose room at Valle Vista School. Invocation was given by Alan Howell and Flag Salute by Flo Basingers Den 7.

Record attendance of 140 enjoyed the delicious food prepared by the mothers.

District Scout Executive, George Van Tubergen gave a short talk and showed a film in sustaining memberships.

The Annual Charter was presented by Cubmaster Bill Hansen to Mrs. Racheal Jones Vice President of Valley Vista School PTA.

Awards Chairman Bob Jones presented the following advancements: Darrell Mumford; Gold Arrow (wolf rank) and denner stripe; James Christian; Gold Arrow (wolf rank); Michael Basinger, Assistant Denner; Chuckie Hermes, Lion Badge; Randy Woldruff, Michael Hile, Ted Troia and Dennis Davis Wolf Badge.

Donald Jones and David Jones, Bear Badge, Gold and Silver Arrow Bear Rank); John Carlton, Gold and Silver Arrow (lion Rank); Tony Grasso, Gold Arrow (Lion Rank); Tom Subb, Terry Carlson, Don Beasley and Kent Dugan, Service Stars.

The meaning of the Blue and Gold was given in a candle light flannel graft by Rachel Jones', Den 4.

THIS MADONNA of the TRAIL monument is located at the entrance of Glen Miller Park in Richmond, Indiana. It is set against a "natural" beauty of huge trees and simple landscaping. The Richmond statue was dedicated Oct. 26, 1928 and is one of the 12 monuments dedicated to the memory of Pioneer Mothers of Covered Wagon Days. The selection of Richmond as the location for the 5th Madonna along the National Old Trails Road was thought to be particularly appropriate since about this point in the development of the Northwest Territory revolved many of the activities which culminated in the formation of the State of Indiana. The final monument along the trail is located at Foothill Blvd. and Euclid Ave. in Upland.

Enjoying My Life...

By Mel Hodell

EVERYBODY HAS LOVED reading how business is being helped by the new depreciation rules.

There's only one thing wrong.

While one hand is putting in a pocket, the other is taking more out.

Depreciation is life-blood to business. What it does is to allow you to deduct money each year from your income so that you will have saved up money to replace the equipment when the equipment is worn out.

* * *

The new law now, however, is that when you sell your business, at a "capital gain" on any profit, you also have to add on the total amount of depreciation taken since 1962 and then be taxed on this share of money at the high rates of "ordinary income."

For example, if my depreciation were $10,000 a year, this wouldn't be too bad to be taxed on $10,000 extra income in the lower brackets.

But if I should sell this business at the end of 10 years, all the depreciation is added up - to a total of $100,000 - and then I would be taxed on this at ORDINARY INCOME rates . . . or up in the HIGH BRACKETS.

It is much easier to be taxed each year at 20 or 30% rather than 70 or 80% which is virtual confiscation.

This is a brutal blow at private enterprise, and could be a death blow to many businessmen's effort to be in their own business.

It is possible to project this new situation so that a man might find himself "locked into buiness" whereby he couldn't sell. At a minimum, it is a real body crusher to private business, in my opinion.

* * *

Most people don't even know that I will need a new press someday; that depreciation is important so I have some money to buy it.

And probably even less people know that I suddenly find myself trying to look ahead many years when I would want to sell my business because of old age or illness, or something else - and have to pay such terrible income tax that it could wipe out all the increases and gains I have worked so hard to produce in all these years.

It's enough to make a small businessman blink his eyes at the government and the legislators in this wonderful era of "helping businessmen."

As I was told in San Francisco, at a State-wide publishers convention, along with a room full of other publishers, the President's grandious Revenue Act of 1962 is "a big public relations job."

Locally I've heard from an accountant that the '62 Revenue Act is known among fellow accountants as their "full employment bill."

* * *

It really and truly is difficult for me to understand why some men in public office would vote for a bill - for dozens of bills in fact - that continually undermine the greatness of free enterprise, the soundness of our economy, the initiative of human beings.

* * *

Our youth - today is hamstrung into almost complete idleness by the restrictive laws governing their work. Except for the last bastian of real freedom - the carrier boys of newspapers - youngsters are hemmed in and stopped from making an honest dollar.

The false "security" claims that promise everything are more and more coming home to roost. It's a shame, too, for free people are far better off, despite their struggles at times.

Dear Sir:

The Ontario Symphony Orchestra Association appreciates your cooperation in helping us inform the public of our organization. The Association is extending every effort to provide the West End community with the finest symphony orchestra prossible, and we believe the first two concerts have demonstrated that this concerted effort can result in a musical experience which reflects credit upon the cultural life of this community.

Because of the wide circulation of your paper and the extensive coverage you have given news pertinent to this Association and Orchestra, you have been of inestimable assistance to us. We thank you sincerely.

Yours truly,
Winfield M. Angel

As librarian at Upland Public Library, I wish to express to your our appreciation of your generous contribution of space in your paper to publicize the World Museum Tours which is now drawing to a close.

We know that the excellent attendance was due, in a large measure, to the reminders which appeared in your columns before each meeting.

We are mindful, too, of the fine presentation that you give to publicity from the library year in and year out. We are very grateful.

Yours very truly,
Louise H. Franke
Librarian.

Students Exhibit At Orange Show

Art work by Upland High School students will be exhibited at the National Orange Show beginning March 18.

Wayne Dean, coordinator of art education at the Show, is in charge of the exhibit, which will include samples of art from San Bernardino County Schools.

Submitting art from UHS are Earlene Jenkins, Ann Throop, Matt Deal, Barbara George, Dee Burket, Donna Daughters, and Scott Streeper.

Their instructors are Miss Marjorie Pleasant and Rayord Schultze.

Pack 611 Holds Blue, Gold Dinner

Pack 611 had their annual Blue and Gold dinner for Cub Scouts and families Friday, March 1. There were 125 in attendance.

The big attraction of the evening was the Pinewood Derby. There were 22 cars entered in the Derby, all of which were carved, painted, etc., by the boys and their Dads.

The winners were: 1st place Mark Roberts; 2nd place, James Allred; 3rd place, Pat Dowse; 4th place, Steven Garrison; 5th place, Robert Ferguson; 6th place, Randy Waite.

A short Pack meeting followed the dinner, with presentation of awards and a short skit by Den 1 on the story of the Blue and Gold.

The skit was directed by Den Mother Mrs. Nancy Garrison.

Congratulations and best wishes to the canyon's latest bride and groom. Michele Naftel was married in beautiful ceremonies at the Our Lady of the Assumption Catholic Church in Claremont to David Johnson on Saturday, March 3.

Mountaineer Passes

It was with great sadness that we read of the passing of William H. Thrall. Mr. Thrall, 89, who passed away this past week had resided for many years in Alhambra and for 75 years in the Southern California area.

Mr. Thrall was a true lover and respecter of the mountains. He was active in the Sierra Club and founded the San Antonio and Roaming mountain climbing clubs of that organization.

A writer of note, he edited the Trails Magazine which for many years published the activities of the Sierra Club as well as bringing tips and information to nature lovers in general, and a great deal of authentic, historical information about western wilderness areas.

If you have copies of the Trails magazine you are in possession of some rare and nostalgic reading.

However, new and good things always seem to take the place of the old.

We have enjoyed our copies of the Southwest Trails a magazine for hikers and explorers of California published by its editor, Vance Yost. The articles are interesting and authentic with fine pictures and the trail tips are helpful.

PLANTING a rare Hongkong orchid tree on the senior triangle at Upland High School are, standing from left: Clint Pruitt, grounds foreman; Manuel Macias, student representative; Thomas M. Glasheen, principal. Kneeling is Reg Whitney, manager of the nursery which donated the tree.

Rare Tree Given UHS

A rare and exotic Hongkong orchid tree is now growing on the senior triangle at Upland High School. The tree was donated by Rosedale Nurseries to replace one destroyed by vandals last summer.

Reg Whitney, manager of the Upland nursery selected the tree personally, saying that he wished to present to the school the most unusual type he could find.

The Hongkong orchid tree was first found by the monks of the Cathedral of Canton, China. It was growing by the ruins of a monastery in Hong Kong.

Whitney said that the tree is a real treasure of the orient, and that it is covered with giant orchid-like flowers in red wine colors with a touch of white. The tree blooms from October to March.

In ceremonies at the school, Principal Thomas M. Glasheen, and a student representative, Manuel Macias, accepted the tree from Whitney. Clint Pritt, grounds foreman, supervised planting the tree.

LUXURY CAR: RIDES, RESPONDS AND LOOKS LIKE IT OUGHT TO COST A RANSOM

You're looking at our Impala Super Sport Convertible which, along with its cousin the Sport Coupe, absolutely embarrasses higher priced cars.

That special trim and those front bucket seats merely hint at the comforts you find built into every Impala Super Sport.

Performance? It's remarkable, an understatement we can afford when there are 7 engines to choose from. One of which is the popular 340-hp Turbo-Fire 409*, a wizard in traffic and a joy on the open road. And others all the way up to 425 hp*.

If you want an extra flourish or two, mull over extra-cost options like floor-shift four-speed manual or Powerglide transmission, Positraction, fade-resistant sintered-metallic brake linings, and a tachometer to relay what's cooking up front.

Just before you rush off to your Chevrolet dealer, may we remind you that both Impala Super Sports offer the new Comfortilt steering wheel*. You adjust it to suit your driving style, flick it out of the way for easy entry and exit.

All three Chevrolet series—Biscayne, Bel Air and Impala—deserve a long look. Super Sports demand it.

Super Sport equipment* available on both Impala Convertible and Sport Coupe.
*Optional at extra cost.

NOW SEE WHAT'S NEW AT YOUR CHEVROLET DEALER'S

Here's $1,500,000 for the City of Upland's Waterworks

Because new water facilities were needed, you voted to authorize your city to issue bonds. The Bank of America and its associated investment dealers purchased these bonds to give your community the money it needs.

Interest rates on the bonds were decided by *competitive bidding*—a procedure required by law to obtain the lowest average interest rate for the taxpayer under current bond market conditions. Interest rates also reflect the credit rating of your city.

We, at Bank of America, bid on virtually all municipal bonds issued in the State—because we have confidence in the future of California and communities like yours. One thing that gives us confidence is that you and your neighbors wisely recognize a demonstrated truth: pure water facilities benefit all citizens. The quality of a community parallels the quality of its municipal services. This is reflected in property values through the years.

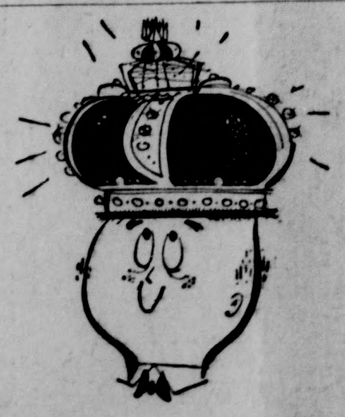

Bank of America and its associates are proud to play a key role in the development of your community.

You may be interested in buying City of Upland Waterworks Bonds as a personal investment. They offer the advantage of ***tax exempt income*** and are available in denominations of $1,000. You can purchase these bonds through your local Bank of America branch—or contact our Municipal Bond Department in San Francisco or Los Angeles.

NEW ISSUE

$1,500,000 City of Upland, San Bernardino County, California, 6%, 5%, 2¼%, 3%, 3¼% and ⅛% Waterworks Bonds, Election 1962, Series 1. These bonds are being reoffered to investors to yield from 1.70% to 3.30%, according to maturity 1964-1990. The bonds due in 1991 are not being reoffered. These bonds are offered when, as and if issued and received by us and subject to approval of legality by our attorneys, a copy of whose legal opinion will be printed on each bond. A circular relating to these bonds is available from Bank of America. Names of other underwriters will be furnished on request.

a flameless plug-in dryer can do this much work in 150 minutes

a gas dryer can do this much work in 150 minutes

Now really—why tolerate a slow, 120-volt, plug-in dryer when Gas can do the job up to 4 times faster—at about ¼ the cost per load? A Gas dryer is so fast that while a plug-in dryer does one load of wash, a Gas dryer can do four! You stay ahead of your washing machine with laundry that's dried fast, fresh, and fluffy. And thanks to lifetime Gas burners, repairs on Gas dryers are very few and far between. *Now really*—don't you agree that a fast Gas dryer is a very smart buy? ■ Gas dryers are first in sales in Southern California * *first in homes*—sales figures show more homes here buy Gas dryers. * *first in self-service laundries*—almost 100% use Gas dryers exclusively. * *first in commercial laundries*—almost 100% use Gas dryers exclusively. ■ See the new automatic Gas dryers at your dealers or in your Gas Company showrooms. European Vintners Tour Area

A group of 22 European vintners had the opportunity to see how world famous California wines are made when they toured the Cucamonga Valley Wine District on Saturday, March 9.

The tour group under the auspices of Mr. Fred Werner, Touramerica tour conductor, flew into Los Angeles from the east, then motored to Cucamonga by bus to spend the day visiting area wineries and viewing district vineyards.

Complete tours through Thomas Brothers Winery, Brookside Winery and Regina Winery were afforded the visitors and wines were sampled at a luncheon.

Although naturally critical, as only experts can be, the consensus from the group was that Cucamonga wines are excellent from standpoints of both bouquet and flavor and compare with the better wines of the world.

Other comments translated from the mostly non-english speaking visitors included such statements as "Your America is certainly a wonderful and progressive country" and "Your wineries seem to have made progress in the last hundred years, or less, that took four hundred years in the european vineyards."

The tour group itinerary includes New York, Buffalo, Los Angeles, Cucamonga, San Francisco and several other U.S. cities. The group was made up of 11 from Germany, 6 from Switzerland and the balance from various other european countries.

Although language would have seemed a problem, it proved quite easy to communicate with the people through Mr. Werner, according to Mike Biane, Brookside Vineyard Co., John Elena, Regina Winery and Donald Hasais, Executive Director for Cucamonga Growers & Vintners Association, hosts to the group.

Cucamonga wineries, known throughout the world for production of dinner and dessert wines, offer the visitor several new tasting rooms where district wines may be sampled and the atmosphere of those who have devoted their lives to the vine and cask.
